Built on two levels with the upper, main floor being at street level, and the lower floor with direct access to the swimming pool area. Three bedrooms, with the main bedroom with en-suite bathroom (with both bath and separate shower) being located on the upper floor and having direct access to the upper viewing terrace which serves as an excellent place to enjoy your meals whilst soaking up the views! On the main floor is also a WC, separate kitchen, and large lounge-dining area with fireplace and views of the pool. The upper viewing terrace is also directly accessible from the lounge. There is a private solarium reached via an external stairway, but if you take the internal stairs down to the lower floor you will find two additional bedrooms, a shower room and utility room which could be converted into a kitchen if you want to make the lower level a separate living unit. The swimming pool is on the north side of the house, but is situated at the end of the garden so will enjoy full sun for most of the day in the warmer months. There is a brick-built pump house and also an enclosed shower adjacent to the pool. To be sold unfurnished except for air-conditioning, security cameras, fridge-freezer, oven, hob, dishwasher and one wardrobe. The property has been recently modernised to a high standard, and offers a very high standard of living in a very special environment.
